Product Details

This stylish technician chair is designed to be extremely comfortable, economical, and durable, yet fit any salon style or décor. Upholstered with soft PU leather, this chair was built to last for many years. This chair is attractive, practical and easy to keep clean. It's chrome and PU leather combination will complement any salon & spa style, giving your salon or spa a unified, "together" look. Look for our Waiting, Client, and Pedicure chairs in matching colors and style.

Features:

- Stylish upholstered PU leather
- PU leather (soft, water-resistant, easy to clean and care for)
- Soft real leather feel without the stigma of animal cruelty
- Padded ergonomic back & seat for comfort
- Chrome finishing on legs.
- Adjustable height
